

November 2, 2014

**All Members,
Pakistan Broadcasters Association**

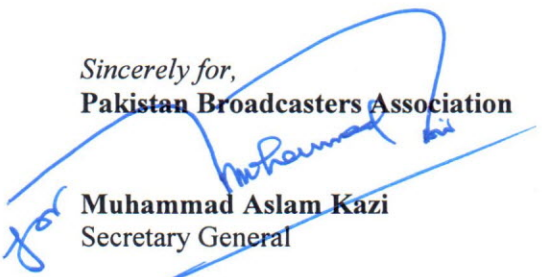

Dear Members,

Some of our members had drawn our attention to the legal position that once the Annual General Meeting (AGM-2014) scheduled to be held on October 31, 2014 could not be held and was postponed because of the weather conditions, it can only be reconvened by the Board of Directors who can only fix the date of new AGM with a notice of clear 21 days before that.

It is thus that we are writing to request you to please disregard our earlier email in which we had indicated November 10, 2014 as new date for AGM-2014, because no AGM will be convened on that day.

Immediately after holidays, we will convene a board meeting to fix the new date of AGM and also for issuance of notices for that AGM-2014 with a clear 21 days interval in between.

Sincerely for,
Pakistan Broadcasters Association
