

## PRESS RELEASE

*“Saturday, July 30, 2016: In a statement issued in Karachi, PBA in response to a complaint received from its member Geo News has shown concern over the disruption in the channels distribution in Karachi.*

*PBA has also been informed that the distribution of ARY News has been disrupted in Lahore and surrounding areas. Any disruption in a channel's distribution causes serious hardships to the viewer and results in a loss of channels viewership.*

*PBA calls upon the concerned authorities to resolve these issues immediately so that the channels and their viewers do not suffer.”*

*Sincerely for;*
